"Managed" Apartments in Mid-Town Memphis

February 8, 2018

To Whom It May Concern:

I highly recommend Herb Cochrane and Raspberry CRE for your Real Estate needs. In 2016, we listed our commercial property on Overton Park for sale with them and they did an outstanding job. From pricing the property, taking photos and creating the listing, to managing showings and basic building maintenance and cleaning, Herb and his team walked us through every task with ease and professionalism. We barely had to lift a finger, except to deposit our check at closing. You will not be disappointed.

Sincerely,

DJ and Jamie Naylor
